## David Oates Joins Alpha Corporation as Vice President, International

DULLES, VA – Alpha Corporation is pleased to announce that David Oates has joined the firm as Vice President, International and will be based in the firm's international headquarters office in Oxford, United Kingdom. He will oversee Alpha's Program and Construction Management Services in Europe and the Middle East. David is a seasoned executive with over 25 years sales and senior management experience in the technology and business solutions industry.

Prior to joining Alpha Corporation, David was VP Europe, Middle East and Africa (EMEA) for Tower Software, successfully seeing the organization through acquisition by Hewlett Packard and during his time there, restructured and re-energized the EMEA operation. Prior to this, he held a number of other senior positions, most notably CEO of The Distillery, a small Australian-based intelligence software company and also as VP International Operations for Primavera Systems, where he was responsible for all operations outside the Americas. While at Primavera, he oversaw significant growth in key regions such as China, Australia, Russia and the UAE, as well as growth in Western Europe. He also held similar positions as Xchanging PLC, a major Business Process Outsourcer and Moai Technologies, a San-Francisco-headquartered software company, where he founded the EMEA operation.

David will lead Alpha's growth and expansion in the International markets and focus on replicating Alpha's success in the Americas in the engineering, construction and energy sectors.

**Alpha Corporation** is a full-service consulting firm offering a wide array of program/construction management and engineering services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors. The firm's diverse team includes professional engineers, program and construction managers, cost estimators, schedulers and risk managers delivering practical, cost-effective, and sustainable solutions to our clients' needs. Our hands-on experience encompasses the entire realm of project development and delivery: planning, design, construction, commissioning, operations and maintenance for building, transportation, civil infrastructure, and utility/energy projects. Alpha Corporation

is ranked one of the Top 100 PM/CM firms in the U.S. by the *Engineering News Record*. The firm is headquartered in Dulles, Virginia and maintains multiple regional offices in the U.S. as well as four international offices - Oxford, United Kingdom; Dubai, United Arab Emirates; Jeddah, Saudi Arabia; and Bogota, Colombia.
