Ricardo A. Santana Joins Alpha Corporation as Southeast Regional Manager

DULLES, VA – Alpha Corporation is pleased to announce that Ricardo A. Santana has joined the firm as Southeast Regional Manager and will be based in the firm's Miami, Florida Office. He will oversee and expand Alpha's Program and Construction Management, Project Controls and Engineering Services in the Southeast U.S.

Ricardo is a seasoned construction professional with over 30 years management and operations experience in the A-E and Construction fields. Prior to joining Alpha Corporation, Ricardo served in senior executive or management positions with major construction management firms and general contractors in Southeast Florida. He managed project activities from preconstruction through construction on major private and government building and infrastructure programs including Miami International Airport, Broward Public Schools, and Miami-Dade Public Schools.

About Alpha Corporation

Alpha Corporation is a full-service consulting firm offering a wide array of program/construction management and engineering services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors. The firm's diverse team includes professional engineers, program and construction managers, cost estimators, schedulers and risk managers delivering practical, cost-effective, and sustainable solutions to our clients' needs. Our hands-on experience encompasses the entire realm of project development and delivery: planning, design, construction, commissioning, operations and maintenance for building, transportation, civil infrastructure, and utility/energy projects. Alpha Corporation is ranked one of the Top 100 PM/CM firms in the U.S. by the *Engineering News Record* and has been recognized for Engineering Excellence by the American Council of Engineering Companies. The firm is headquartered in Dulles, Virginia and maintains multiple regional offices in the U.S., including Miami, Florida, as well as four international offices.
