**VDOT Selects Alpha Corporation to Provide CM/CEI Services for  
Transportation Projects for the Hampton Roads  
and Culpeper Districts**

DULLES, VA – Alpha Corporation has been awarded two contracts by the Virginia Department of Transportation to provide construction engineering and inspection services for roadway and bridge construction and tunnel rehabilitation projects throughout the Hampton Roads District and the Culpeper District.

The Hampton Roads District encompasses 13 counties including Accomack, Hampton, Norfolk, Smithfield, Virginia Beach, Chesapeake, Isle of Wight, Northampton, Southampton, Emporia, James City, Poquoson, Surry, York, Greensville, Newport News, Portsmouth and Sussex. The duration of this \$5 million per year in fees contract is one year with two optional one-year renewable terms.

The Culpeper District encompasses Albemarle, Culpeper, Fauquier, Fluvanna, Greene, Louisa, Madison, Orange and Rappahannock Counties. The duration of this \$4 million per year in fees contract is one year with two optional one-year renewable terms.

Alpha will be providing up to 22 CM&I staff plus office support professionals during peak construction operation periods for the Hampton Roads contract and up to 20 CM&I staff plus office support professionals for the Culpeper contract. The total construction value of the transportation program to be supported by these contracts in both Districts will exceed \$1 billion.

**About Alpha Corporation**

Alpha Corporation is a full-service consulting firm offering a wide array of program/construction management, engineering and project controls services to a broad spectrum of clients, including government agencies, municipalities, institutions, private enterprises, developers and contractors.
