ALPHA CORPORATION WINS VDOT CULPEPER DISTRICT CONTRACT

DULLES, VA, May 22, 2014: Alpha Corporation, a professional engineering/construction management firm, has been selected by the Virginia Department of Transportation (VDOT) to provide construction engineering inspection services for their Culpeper District Wide Contract III. Work under this contract may involve new construction and/or improvements to structures, roadways, and other transportation facilities. This is a two-year contract with two, one-year renewal periods.

Alpha Corporation, a full-service woman-owned firm, provides civil/structural engineering, program/ construction management, project controls, and technology services for various building types and heavy infrastructure projects. Assignments have encompassed providing these services for a broad spectrum of clients, including all levels of government agencies, public and private enterprises/partnerships, Fortune 500/Global 1000 companies, institutions of learning, commercial developers, energy companies, contractors, architects, and more. Overall, the firm's project portfolio exceeds \$50B in program constructed value for the past 35 years. Alpha Corporation's vision is to be recognized by clients for responsive, innovative and quality services in the building and infrastructure sectors, and to be the employer of choice for professionals seeking stimulating and rewarding careers. Alpha Corporation's mission is to provide innovative and sustainable solutions for the lifecycle of building and infrastructure projects through the integration of best-practice engineering, program/construction management, project controls, and technology. For more information, visit www.alphacorporation.com.
