Prices Shown Herein are Net (discount deducted)

CUSTOMER INFORMATION

1a. Table of awarded special item number(s):

SINs	SIN Title
541330ENG	Engineering Services
541715	Engineering Research and Development and Strategic Planning
541420	Engineering System Design and Integration Services
541380	Testing Laboratory Services
OLM	Order-Level Materials (OLM's)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item.

Labor Category Descriptions

1. Principal	
Minimum Experience	20 years of experience.
Functional Responsibility	Provides senior level expert advice, assistance, guidance and counseling in support of management, organizational and business improvement or investigative efforts across all functional areas. May have executive oversight of on-going projects, contracts and new business activities taking place within a practice area. Typically provides supervision, direct or indirect, of all personnel assigned to a practice area, large program, or large complex project. Provides program oversight and maintains responsibility of all aspects of a program including technical, schedule, performance and budget management. Manages and/or delivers large programs and/or projects, typically with multi-year contracts, multiple subcontractors, numerous deliverables, and a broad range of services.
Minimum Education	Bachelor’s degree.
Degree/Experience Substitution	Associate degree + 26 years or master’s degree +16 years of specialized experience.

2. Project Manager	
Minimum Experience	Four (4) years of experience.
Functional Responsibility	Provides oversight and execution of moderately large and/or complex projects. Directly responsible for coordination of all necessary resources and liaison with senior management, client and all other project related parties for successful project execution. May supervise subordinate project personnel.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 10 years or master's degree + 1 year of specialized experience.

3. Claims Analyst - Senior	
Minimum Experience	12 years of experience.
Functional Responsibility	Executes and manages tasks involving complex disputes and/or claims. Directly interfaces with senior management, client and other parties. Coordinates subordinate support for recommendation development.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 18 years or master's degree + 9 years of specialized experience.

4. Claims Analyst	
Minimum Experience	Nine (9) years of experience.
Functional Responsibility	Executes tasks involving disputes and/or claims. Direct interfaces with senior management, client and other parties. For complex tasks, assists Senior Claims Analyst with preparation of recommendation development.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 15 years or master's degree + 6 years of specialized experience.

5. Scheduler - Senior	
Minimum Experience	Five (5) years of experience.
Functional Responsibility	Utilizes construction scheduling software to develop construction schedules and perform review and delay analysis of complex construction schedules/projects. Assists Senior Claims Consultant with delay impact on claim and the preparation of recommendation development.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 11 years or master's degree + 2 years of specialized experience

6. Scheduler	
Minimum Experience	Three (3) years of experience.
Functional Responsibility	Utilizes construction scheduling software to develop construction schedules and performs review and delay analysis of moderately complex schedules/projects. Assists Senior Scheduler with preparation of recommendation development.

Minimum Education	Bachelor's degree.
Degree/Experience Substitution	High School Diploma + 11 years or associate degree + 9 years or master's degree + 1 year of specialized experience

7. Project Engineer/Office Engineer

Minimum Experience	Five (5) years of experience.
Functional Responsibility	Performs studies, prepares engineering reports and provides project management support. May review and track submittals, change orders, pay requisition, correspondence, project logs, requests for information and other engineering related tasks.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 11 years or master's degree + 2 years of specialized experience

8. Quality Assurance Engineer/Manager

Minimum Experience	Three (3) years of experience.
Functional Responsibility	Reviews design plans and specifications for compliance with contract documentation. Performs inspections. Determines compliance of material and workmanship. Incorporates established quality assurance procedures into the project. May be responsible for ensuring a third-party is following quality control/assurance program.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 9 years or master's degree + 1 year of specialized experience

9. Construction Inspector

Minimum Experience	Three (3) years of experience.
Functional Responsibility	Provides on-site inspection services for routine construction tasks. Responsible for providing advice, assistance, guidance and counseling on construction materials, means and methods. Monitor, document, report and follow-up to ensure contractor work is in compliance with contract drawings and specifications.
Minimum Education	High School Diploma
Degree/Experience Substitution	Associate degree + 1 year of specialized experience

10. Estimator - Senior

Minimum Experience	Five (5) years of experience.
Functional Responsibility	Prepares cost estimates for large and/or complex construction projects. Reviews contract documents to determine construction material and method requirements, performs complete quantity take-offs, determines appropriate manpower, equipment and materials costs and summarizes into final estimate for all divisions of construction work. Supports basic project estimating as well as estimating support for contract modifications. Oversees large estimating assignments and coordinates efforts of estimating team. Routinely assists with

	negotiations between various parties to reach settlement. Responsible for overall management of comprehensive estimate development, review, and submission. Assists Senior Claims Consultant with cost analysis impact on claim and the preparation of recommendation development.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	Associate degree + 11 years or master's degree + 1 year of specialized experience

11. Estimator	
Minimum Experience	Three (3) years of experience.
Functional Responsibility	Prepares cost estimates for moderately large and/or complex construction projects. Reviews contract documents to determine construction material and method requirements, performs complete quantity take-offs, determines appropriate manpower, equipment and materials costs and summarizes into final estimate for all divisions of construction work. Supports basic project estimating as well as estimating support for contract modifications. May assist with negotiations between various parties to reach settlement.
Minimum Education	Bachelor's degree.
Degree/Experience Substitution	High School Diploma + 11 years or associate degree + 9 years or master's degree + 1 year of specialized experience

2. **Maximum order:** \$1,000,000
3. **Minimum order:** \$100
4. **Geographic coverage (delivery area):** Domestic
5. **Point(s) of production (city, county, and State or foreign country):** Government site or Alpha Corporation's Dulles office.
6. **Discount from list prices or statement of net price:** All prices herein are net (discounts already deducted.)
7. **Quantity discounts:** None offered
8. **Prompt payment terms:** Net 30 days or other negotiated prompt payment terms. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.
9. **Foreign items (list items by country of origin):** Not applicable
- 10a. **Time of delivery. (Contractor insert number of days.):** To be determined at the task order level

- 10b. **Expedited Delivery.** Items available for expedited delivery are noted in this price list. Contact contractor
- 10c. **Overnight and 2-day delivery:** Contact contractor
- 10d. **Urgent Requirements:** Contact contractor
- 11. **F.O.B. point(s):** Destination
- 12a. **Ordering address(es):** Use Alpha Corporation's Dulles office address for ordering
- 12b. **Ordering procedures:** See Federal Acquisition Regulation (FAR) 8.405-3.
- 13. **Payment address(es):** Use Alpha Corporation's Dulles office address

ICT accessibility standards can be found at: <https://www.Section508.gov/>:** Not applicable
- 23. **Unique Entity Identifier (UEI) number:** C42CD9VJHGN6

24. Notification regarding registration in System for Award Management (SAM) database:
Alpha Corporation is registered and active in SAM

Service Contract Labor Standards: The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
